# SAVE THE DATE!
# JULY 7th 2012

I'm Pro-Life

This summer, the most important date on the pro-life calendar is **Saturday July 7th**. That's when we will join with thousands of others to **celebrate life** and be **a voice for our unborn children**.

Ireland - north and south - is one of the last remaining places in the world where abortion is still illegal and where unborn children are still cherished, loved and protected. **But our unborn children are coming under threat from powerful pro-abortion campaigners in Ireland, the UK, Europe and the United Nations, who want to change our pro-life laws and legalise abortion**. That's why it's so important we show our united opposition to abortion. Lets do that together, at the **ALL-IRELAND RALLY FOR LIFE**.

It is essential that all pro-life people attend this event. If you do only one thing for the pro-life cause this year, **LET IT BE THIS !!!**
