JULY 2nd, 2022. DUBLIN. SAVE THE DATE.

Join us for the biggest and most EXCITING pro-life event of the year – the Rally for Life – as pro-life people from across the country join together to Stand for Life.

As you may know, the government is currently undertaking a review of Ireland's abortion laws. We must speak up for mothers and babies at this critical time, because we can't let the horrific outcomes of the abortion legislation be ignored.

The Rally theme for 2022 is to urge the nation to Rethink Abortion.

Join us to be a voice for the 6,500 babies being killed by abortion every year. For the mothers failed and left without real choices by the state.

Stand for Life – for the families of babies with disabilities who are being pressured to abort their beautiful children. For the pro-life doctors and nurses fighting for conscience rights. To make the truth known about horrific late-term abortions.

To demand that the 3 day period of reflection before abortion, which saves almost 900 babies each year, is retained.

Rally for Life 2022 will meet at 2pm on Saturday July 2nd at the Garden of Remembrance on Parnell Square in Dublin city centre.

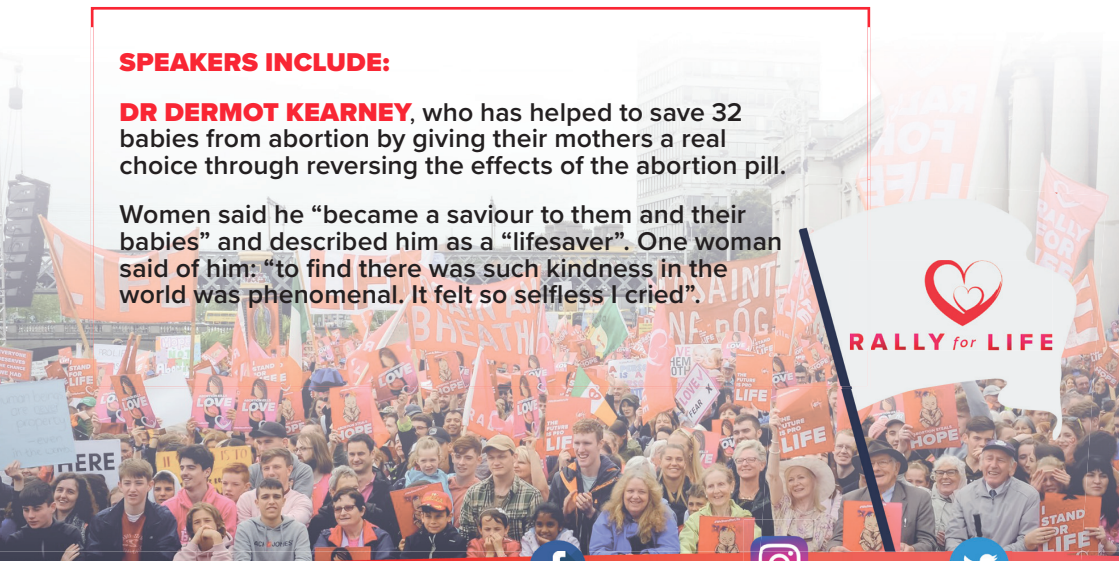

Let's wake the conscience of a nation and urge them to find a better answer.

The Rally its also a family-friendly day for the national pro-life movement to be re-energised and strengthened by coming together for Life! Together we will rebuild this broken culture. Be there!

SPEAKERS INCLUDE:

DR DERMOT KEARNEY, who has helped to save 32 babies from abortion by giving their mothers a real choice through reversing the effects of the abortion pill.

Women said he “became a saviour to them and their babies” and described him as a “lifesaver”. One woman said of him: “to find there was such kindness in the world was phenomenal. It felt so selfless I cried”.
