

RALLY
for **LIFE**
LIBERTY
& FAITH

SATURDAY 4TH JULY 2026
BELFAST CITY HALL
1:30PM

BELFAST : 4 JULY 2026 : 1.30pm

SEE MORE 

The rights of Christians, and particularly pro-life groups, are under serious attack. Since 2023, praying outside abortion centres has been a crime in NI. Now, Belfast City Council has approved draft bye laws that directly threaten freedom of speech and peaceful Christian witness.

These bye-laws introduce fines for public preaching, praying and even speaking. Belfast Council also voted to **ban the display of images** used by pro-life groups including pictures on banners, posters, and even clothing, with fines of up to £1,500.

Pro-life information leaflets will also be censored, forced into **sealed envelopes with “warning” labels.**

These bye-laws threaten freedom of speech, freedom of expression, and religious liberty - rights protected by both the Human Rights Act and the Good Friday Agreement. They are about controlling speech, suppressing the pro-life message, and silencing Christian witness in public spaces.

SAVE THE DATE!

That is why we must march on 4th July:

- Be a voice for the unborn
- Be a voice for faith
- Be a voice for freedom and truth

Join us on Saturday 4th July 2026 in Belfast and send a clear message: *Faith is not extremism; Prayer is not disorder; Truth is not hate; Conscience is not a crime.*

ASSEMBLE FROM 1.30PM AT CITY HALL, BELFAST, TO MARCH AT 2PM
