# YOU ARE NOT ALONE

## SENDING YOU LOVE BABY HOPE

SEND A MESSAGE TO **BABY HOPE**, FIGHTING FOR HIS LIFE IN ICU BECAUSE OF FINE GAEL'S ABORTION ACT.

This tiny baby boy was deliberately delivered prematurely at 25 weeks, and is now fighting for his life in an ICU. He faces a lifetime of medical complications. This horrific outcome arose because of Fine Gael's Abortion Act, which allows a baby to be delivered extremely early or to be aborted if a mother claims she is suicidal.

The Act ignores all the evidence that abortion is not a treatment for suicidal thoughts in pregnancy. Baby Hope's mother should have received the correct medical care that her mental health required. Instead this baby boy was left to fight for his life.

WOMEN AND CHILDREN **DESERVE BETTER** THAN THIS.

*Send **Baby Hope** a message of love and support today.*

*We hope this little baby makes it and we hope that all women in crisis are offered the appropriate support and medical care they need in pregnancy.*

Dear Baby Hope,

Get well soon. Keep **fighting** for your life and remember that **you are not alone.**

We hope you live your life to the full.

Thinking of you,
