

UNITE FOR LIFE

pro-life vigil

4.30pm Tuesday 04.12.12 DÁIL ÉIREANN

Fine Gael and Labour are on the verge of legalising abortion.

This may be the only chance we get to send a united message to the Government that the people of Ireland do not want abortion.

The vigil will be an opportunity to be a voice for both unborn babies and their mothers, and to ask Fine Gael to keep their pro-life promise.

If abortion is legalised it will be too late to make your voice heard.

Please make a special effort to attend - bring your family and friends!

Posters will be provided on the day.
