YOUTH DEFENCE

ABORTION is the most urgent issue of our generation - it's the biggest denial of human rights that exists today. Worldwide, each year, abortion kills more people than poverty, hunger or war. And it's legal. Unborn babies have no voice - they need us to speak out to protect them and their mothers.

That's why we need strong and effective voices to speak out against this injustice. At Viva la Vida Youth Leadership Training, we will help you find your pro-life voice; through great talks, practical help and interactive workshops.

"I LOVED VIVA LA VIDA,
IT GAVE ME MORE COURAGE
TO SPEAK OUT AGAINST
ABORTION, AND TO BE A MORE
CONFIDENT AND ARTICULATE VOICE
FOR MOTHERS AND BABIES."
